NEWSLETTER

August 2010

Welcome, welcome, welcome!

What a great summer, a few cooler days but generally fabulous: the gardens were very productive; the tourists were happy; and Whitehorse did us proud. Everyone who came to see us was impressed by the shop and the town and all it offers. I love the tourists when they arrive in May, but by August I long for the regulars to come back, to be able to name everyone who walks down the stairs, and to feel the familiarity of our close community. So welcome back fellow quilters, fabulous customers and most importantly good friends. Let's have a good season of quilting fun.

~Ruth and the staff of BPQ

Celebration Challenge

From an idea I saw in the spring, I have devised a table runner challenge. It will culminate in December at our Customer Appreciation Party on Saturday, December 18th.

We are asking you to make a table runner to celebrate an event or occasion, and display it with props on the day for a viewers choice award. The occasion can be something concrete like a wedding anniversary or Spring or something more esoteric like learning to canoe, anything you feel like celebrating. An explanation would be good especially if it is a bit obscure, and props would really wow us.

- ❖ The table runner should be within the size 48" by 18".
- ❖ The celebration should be explained.
- ❖ Props should be added.
- ❖ The table runner must have two stars visible, in any form.
- ❖ The entries are anonymous.
- ❖ Labels must be attached to the middle of the quilt on the back.
- ❖ Entrants get 2 metres fabric at 25% off.
- ❖ The entry fee is two fat 1/4's (the collection will be one of the prizes).
- ❖ Three viewers choice prizes will be awarded.
- ❖ Entries must be in by Thursday, December 16th.
- ❖ Photos of entries will be posted on the web site, as will the results.

Tin Lizzie

My summer excitement was the purchase of a home long arm quilt machine. Do come in and say hello to her, my lovely Lizzie. By the time you read this I should know her well and the staff will be "in training". Great fun.

What's new at BPQ?

New Teaching Season

The usual crew are teaching again this year - Terry, Joanne, Karen, Lise, Lori, Carol, Sally Sheppard and Ruth. We are all enthusiastic about our chosen quilts and hope you like them as much as we do. New to our team this time are Hope Hartley and Bernice Ovens. Welcome to them.

As always the quilts will be under wraps until the night before sign-up. After they are hung, then you get to see them. This year's sign up is on August 28th. Then we begin classes the next week and on Friday, September 3rd we will hold a **New Season Sale**. The sale will start on Friday at 10am and we will stay open until 9 pm that night. As always there will be 50% off selected fabrics, lots at 30% and the remaining at 15% off.

MYSTERY QUILT CLUB 2010 with Joanne Love

Just because we are not getting together this fall doesn't mean the mystery quilt, Quilter's Courtyard, should be forgotten. I am hoping that this break will allow you to catch your breath and work on any outstanding installments you may have. It will be great if you are able to show off your finished quilt at our MQ reveal party in the New Year. If you have any questions or need a refresher on a technique, please feel free to come and see me at the shop.

Happy Quilting,
Joanne

Scrap Quilt Club

Lori and Ruth are again offering a scrap quilt each. We have scraps colour coded at the shop and we sell them by the ounce. We also have a large selection of strips of batiks from the warehouse, cut from the fabric that comes from the manufacturer. We love the idea that these scraps are used and turned into beautiful quilts. Your own scraps at home should be colour sorted, there is nothing more unattractive than a garbage bag of bits of unsorted fabrics. Once they are sorted they can be accessed easily and even swapped with others. When the finished scrap quilts are brought into the shop everyone is envious and wishes that they had made such use of their lovely leftover bits. All the previous patterns are available in the shop.

Table Runners

with Ruth Headley and Karen Mills

Another 4 table runners this season, and Karen and Ruth have chosen a really good book and taken all 4 out of it, all of them new. The book is a compilation of table runners designed by international quilters, so they are pretty fabulous. The cutting instructions will be given out in advance and all the cutting must be done before the single evening class. Hopefully then we can get the top completed.

The more classes you enroll in the better deal that you get. Join us for:

-  1 runner - \$30.00
-  2 runners - \$50.00
-  3 runners - \$65.00
-  4 runners - \$80.00 + patterns

These classes are ideal for beginners.

No more **We Have Gone Green**
bags are available so bring your own cloth bags
with you - or even better make one to use.
We have patterns too!

Quilters without Borders

those in need. Come in and sew with us.*

September

1. QuiltStart

with Ruth Headley

  This class is designed for those who have no experience in quilting, or for those who want to get back to basic skills. The class has two components: Introduction to Quilting where you learn about the basic equipment and materials needed as well as learning about your machine, and QuiltStart where you will make a table runner in the Rail Fence design. This class provides the rudiments of quilting and prepares you to work on any number of projects afterward. This class is comprised of 12 hours of class time and probably 10 hours of extra sewing to complete the project.

with Karen Mills

    Start this advanced colour course by choosing your own colour to explore and a block pattern that will repeat each month. Each month a different colour harmony will be explored around your colour through classroom discussion, fat quarter play, and shared learning. Sew your block at home and share your success with the class next month. Part 1 takes you through the first 4 sessions. Join again in January for the last 5 sessions. At the end of the year you will have completed a sample quilt exploring your selected colour.

5. Rolling Waves

with Terry Funk

This quilt is a modified version of the classic pattern, "Irish Chain". This is a two colour quilt so the fabric selection is simple! Suitable for confident beginners to advanced quilters.

6. Table Runner I - Seasons of the Moon

with Karen Mills

Good heavens, the techniques that make this skinny quilt shine are pure genius - yet couldn't be easier. It's simply a matter of cutting arcs with the 'Cut-a-Round' ruler and playing around with them to create shimmering lunar shapes. This quilt uses fusible appliqué with a satin stitch finish.

We already have a good variety in the shop for you to choose from and more to come. You can even cut your own strips from your stash. You must be confident in your accurate 1/4 inch seam to tackle a bargello. This is a bed quilt size.

10. Winter Wonderland – Block of the Month Club

with Joanne Love

Red & white stars and snowman, pine & snowflakes - how much more winter can you get? Simple hand embroidery stitches create a wonderful quilt you will treasure for years and want to put up at the first sprinkling of snowflakes. The project combines simple hand embroidery stitches and patchwork. It can be stitched in any colour that coordinates with your fabrics. Join Joanne each month for tips and techniques for creating this great quilt. Each month we will sew a set of blocks and get started on the hand stitchery that you will be able to stitch at your leisure.

with Ruth Headley

  I designed this quilt to use up scraps that were about 5 inches square. I went for all the colours in the colour wheel, but you can mix and match, make it with fat quarters or even make a two colour quilt. The blocks are quite big and as long as you can do two triangle squares it's a simple quilt to make.

Mine is a bed size quilt, but you can change that easily.

Bear's Paw Quilts - Workshop Policies

Classes are open on a first come basis. When a class fills up quickly, we often put people on a wait list and schedule another class.

We request that you leave babies and children at home when you come to a class. Teens are welcome in all our classes.

You are not officially registered until you have paid. GST will be added to class cost. You may pay for a class with Visa, MC, debit card, cash or use your class points.

Cancellation: In the event you cannot attend a class that you have paid for, we will issue credit or transfer you to another class if we receive 7 days notice. If we receive less than 7 days notice, we will give you class handouts, but no refund can be given.

Class Minimum: Normally a class must have 3 students.

Sewing Machines: Please bring your own machine in good working order. An instruction manual for the machine is essential. Don't forget to bring extra machine needles. BPQ does have one Bernina sewing machine for rent - see our Sewing Machine Rental Policy.

Supply Lists: are available for each class at the time of registration. Read it carefully and bring everything on the list.

Place: All classes are in the BPQ classroom. Ironing boards and irons are provided. 2 large cutting mats are provided. Please bring anything else you may need, and label all your personal equipment.

Bear's Paw Quilts - Sewing Machine Rental Policy

- ◆ In the interest of encouraging beginners to quilt, Bear's Paw Quilts has purchased one new Bernina Activa 230 that will be available for rent.
- ◆ Cost of machine rental is \$30 per day or \$15 for half a day **or less.**
- ◆ The rental machine must be booked and paid for at the time of class registration. In the event you wish to cancel either the machine rental or the class, you will recover full credit for your payment only if we receive the cancellation **7 days before the class date.**
- ◆ At the time you book the sewing machine, you must make an appointment for a brief instruction on the use of the machine.
- ◆ The machine is kept on the shop premises at all times. You may not take it home.
- ◆ You must provide your **own thread, machine needles**, personal sewing equipment and supplies. Any bobbins that you use must be left with the machine at the end of the rental period.

Note: Demonstration machines are not available for use during class or at any other time. They are for demonstrating features to persons who are interested in buying a Bernina.
